## What you'll need:

- Paper bag
- Construction Paper: Brown, Black, Red, White, Light Blue
- Black Marker
- Scissors
- Glue Stick
- Tape
- Rustler Puppet Pattern

## How to make it:

1. Print out the Rustler pattern and cut out the shapes from the construction paper color indicated on the pattern.
2. Start with the pants. Once you have cut out the pants shape, make little snips with your scissors all along the outside edges of the pants – this will be fringe on the pants. Glue the pants to the bottom of the bag lining up the pants bottom with the opening of the bag.
3. Attach the boots to the bottom of the pants with glue stick.
4. Attach the vest to the bag, tucking it up under the fold of the paper bag. Glue into place.

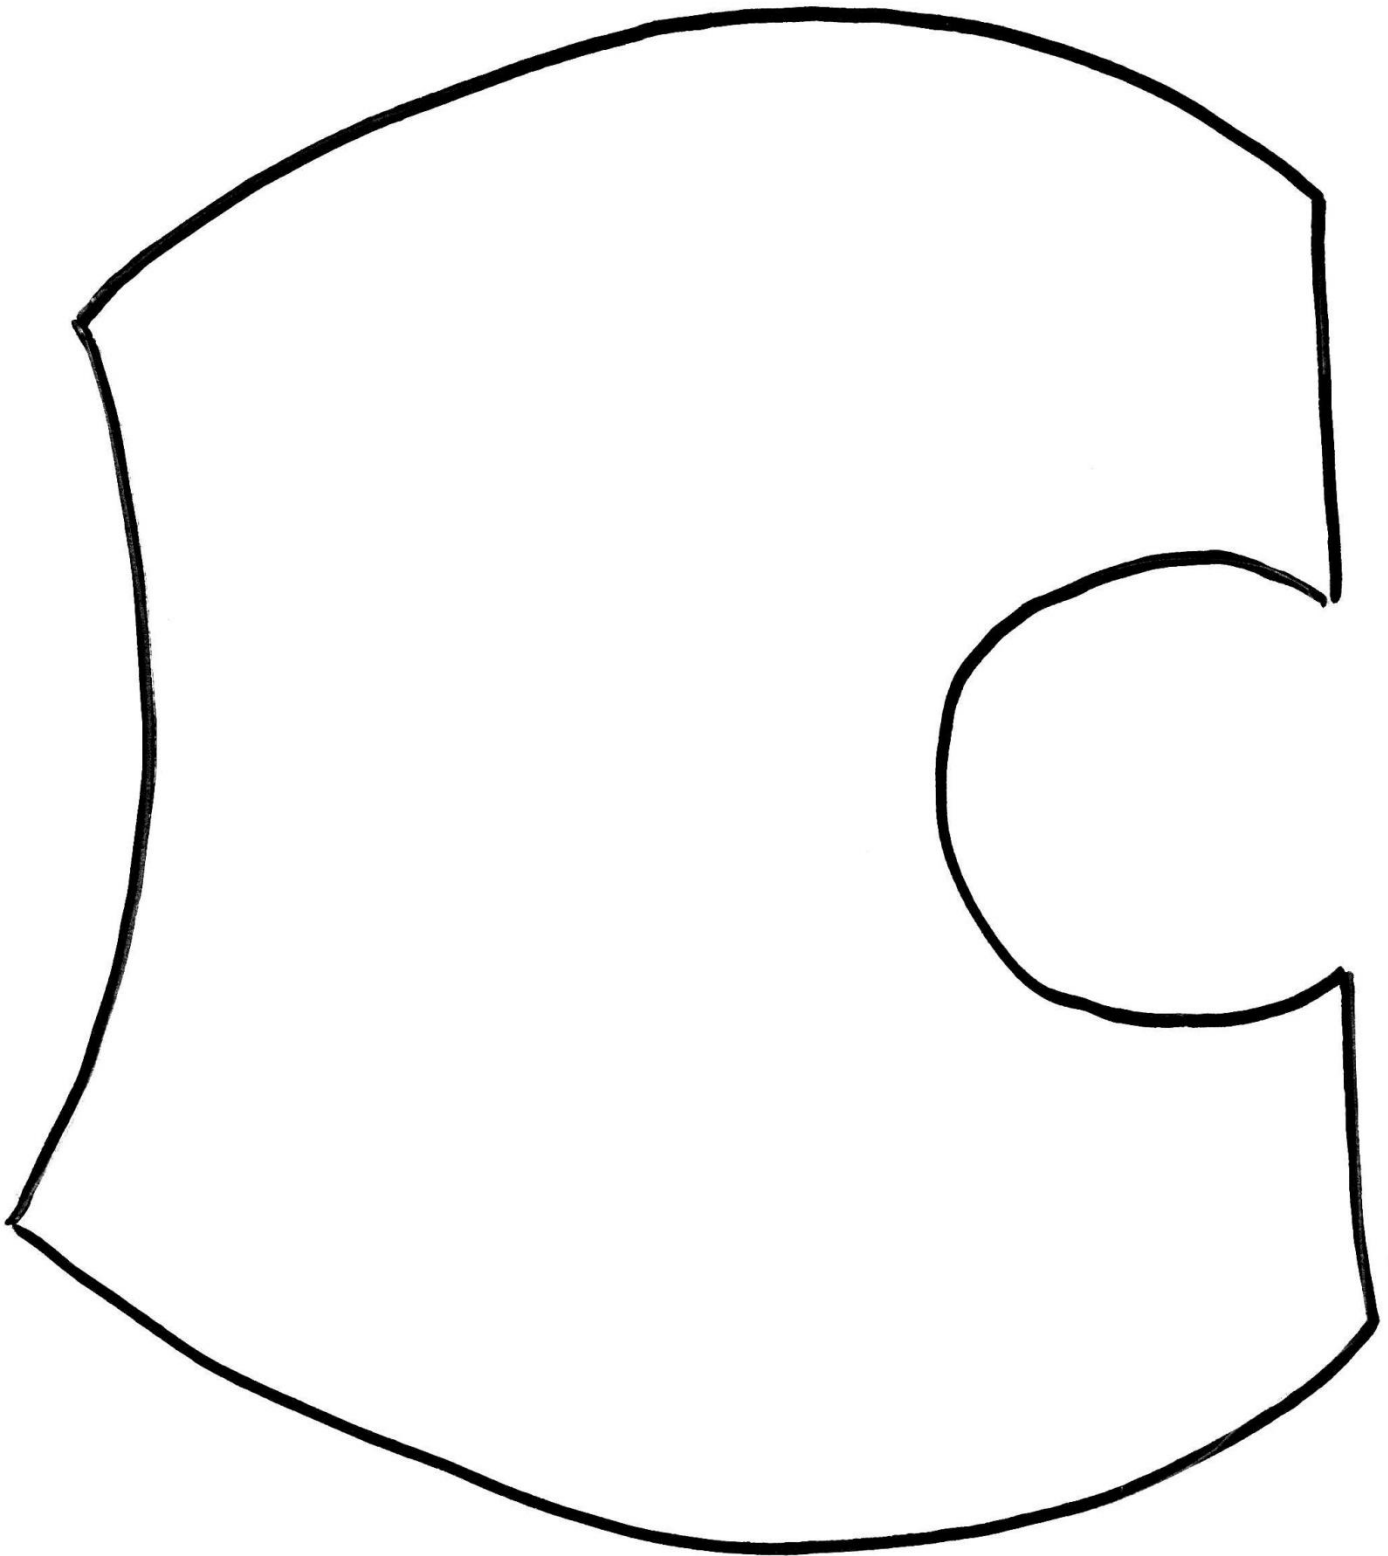

5. Next, attach the holsters to the gun tops with tape and glue them into place on either side of the pants. Secure them with tape on the backside if needed.
6. Draw in the eyes, nose and mouth on the face piece and glue the face piece to the folded piece of the bag.
7. Add the bandana piece to your Rustler. You can either add it directly to the face piece, or tuck it under the folded flap, depending on the look you are going for.
8. Next, glue on your mustache.
9. Assemble the hat with the brim in front. Tape it in the back and glue between the pieces. Attach the hat to the face piece. You can wear the hat down low covering the eyes a bit or more on top. Secure with glue to the face and tape in the back.
10. Last add your glove to each of the arm pieces with glue. Tuck the arms in the side folds of the bag on either side and secure with tape.
11. That's it – done. You can add details on the hat or bandana if you like.

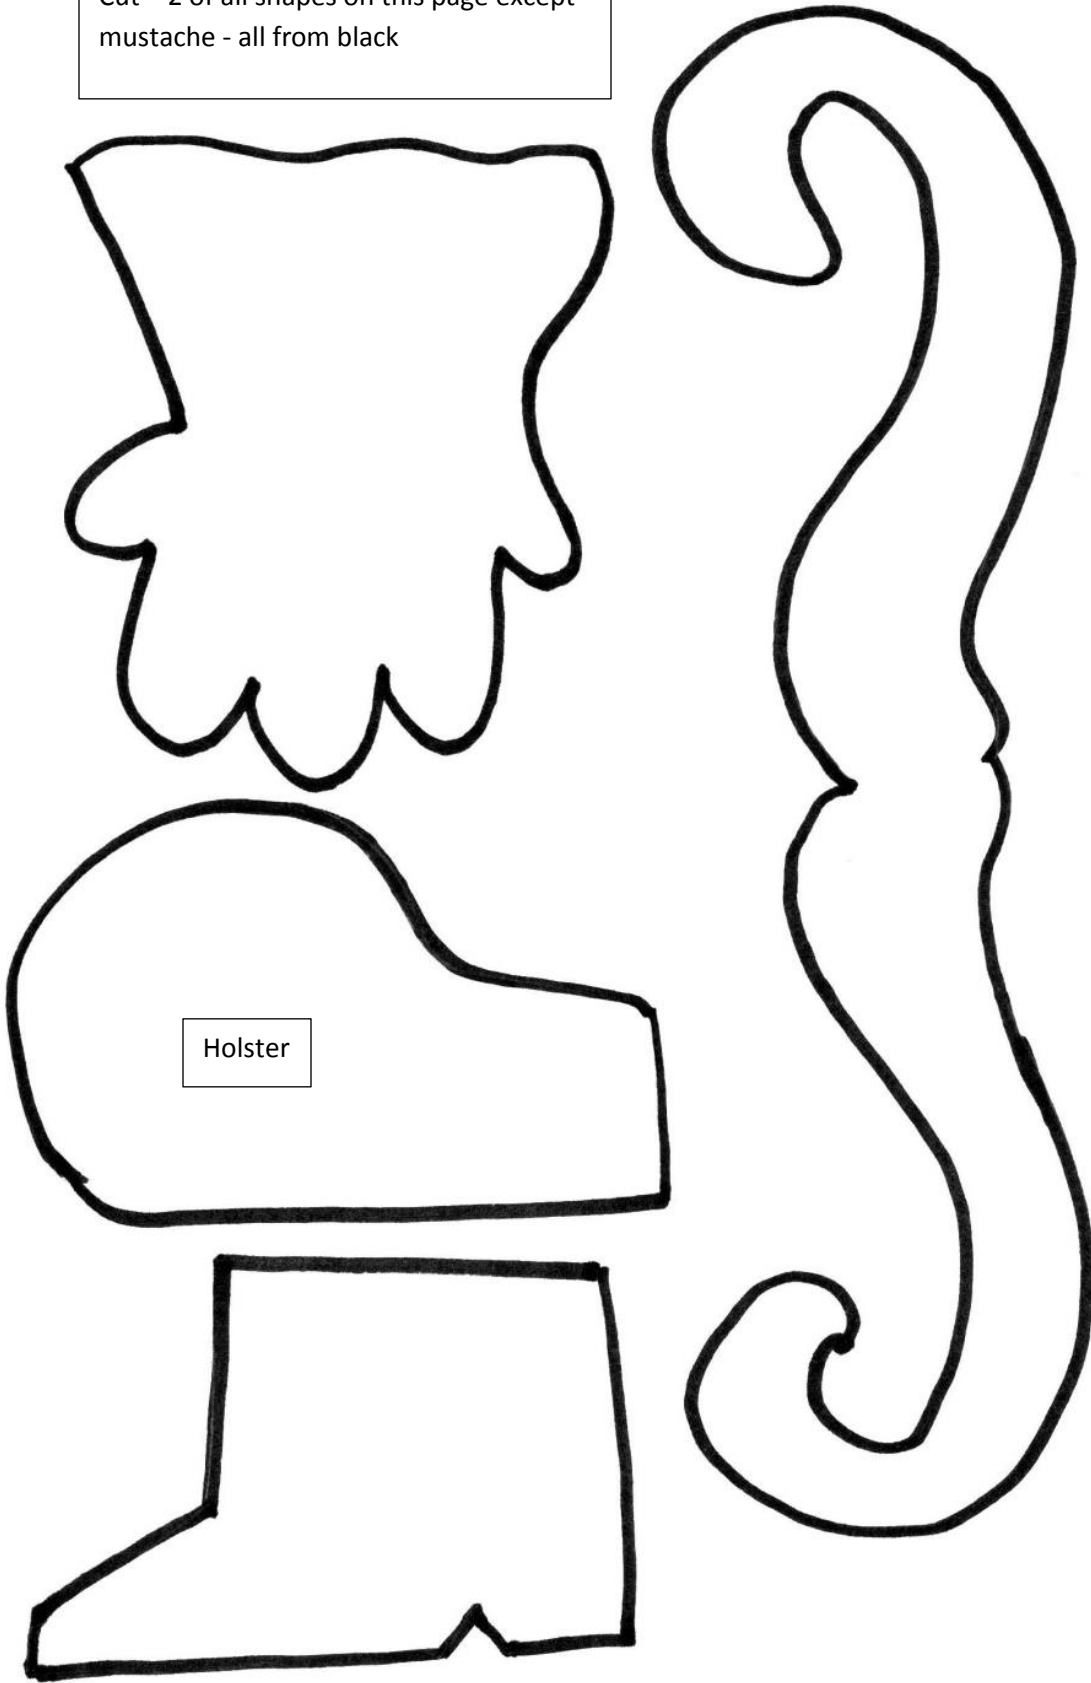

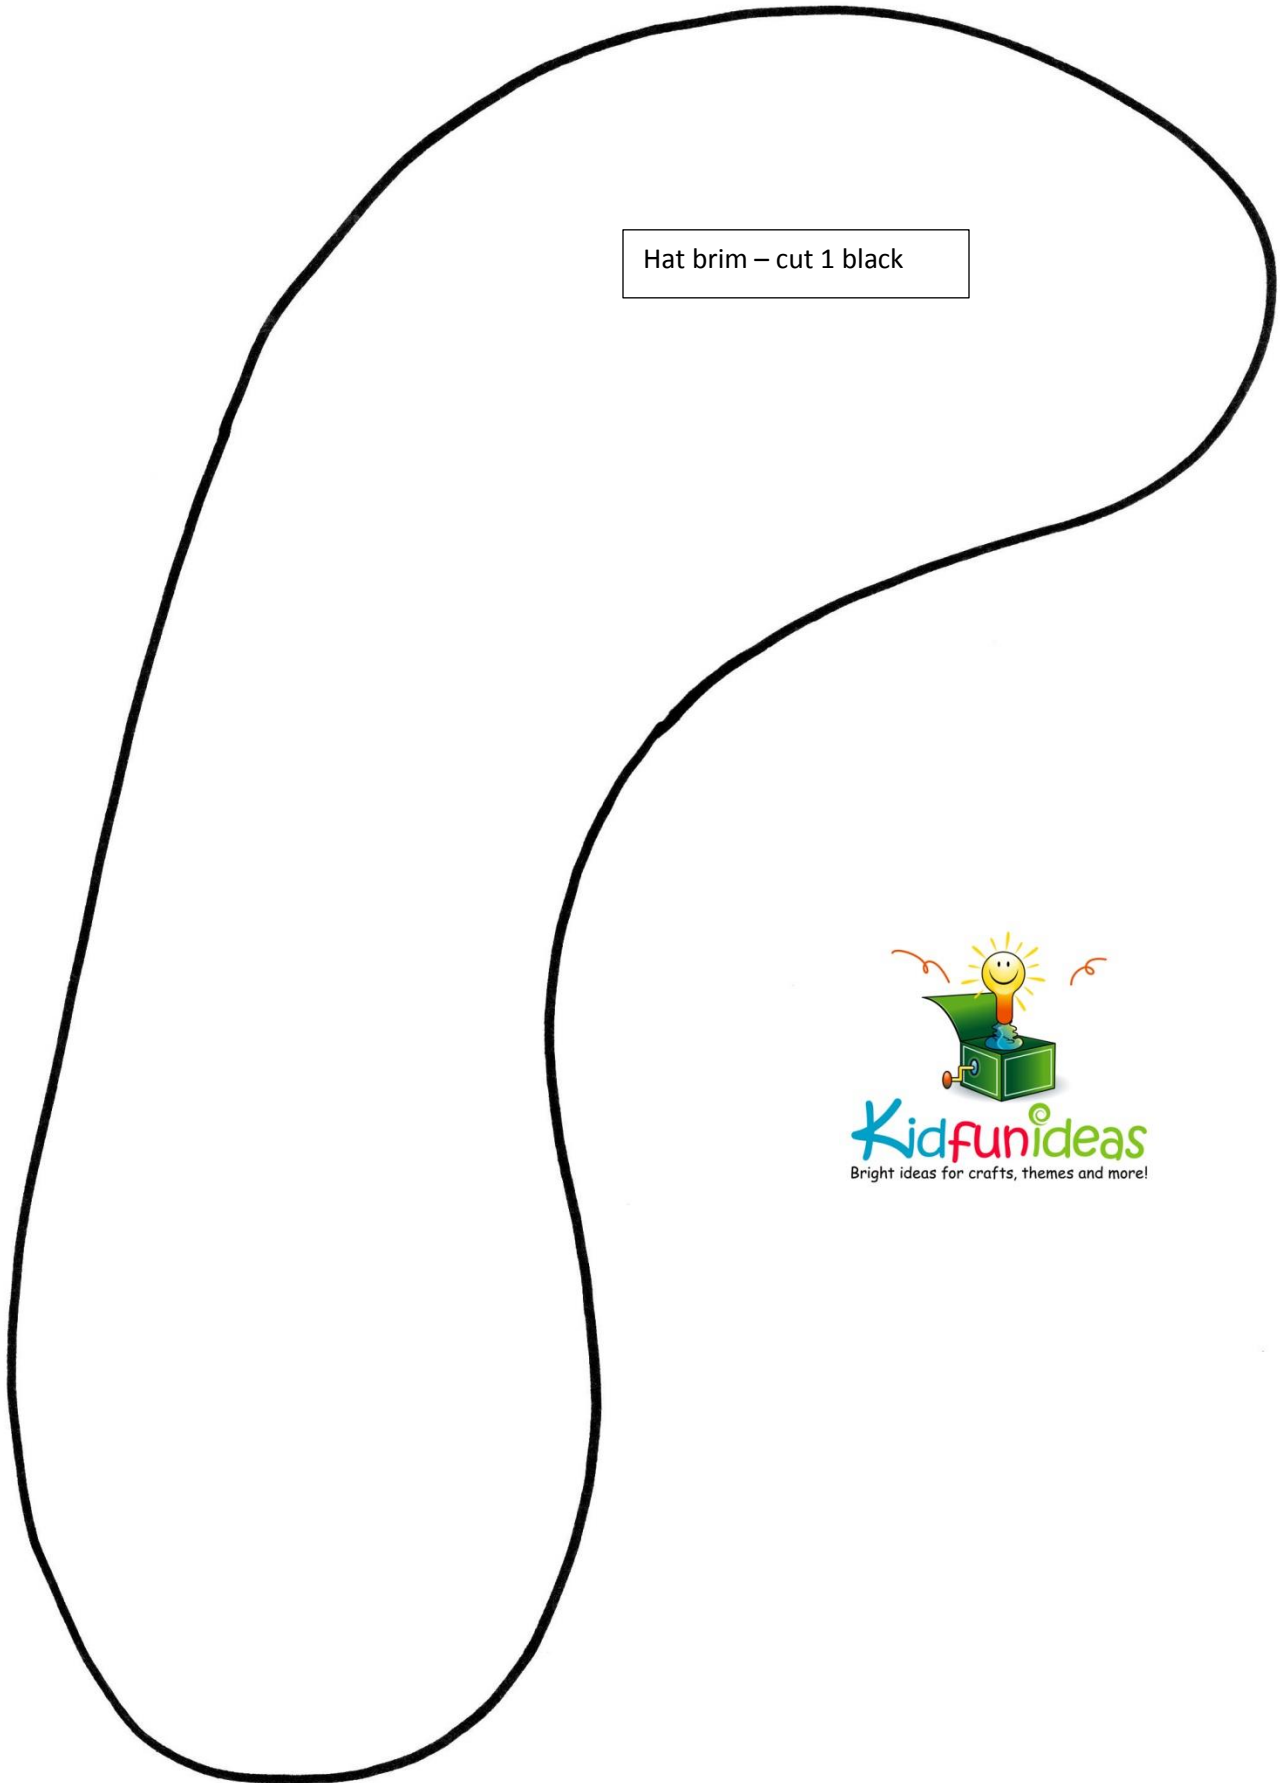

Pants – cut one brown

Cut – 2 of all shapes on this page except  
mustache - all from black

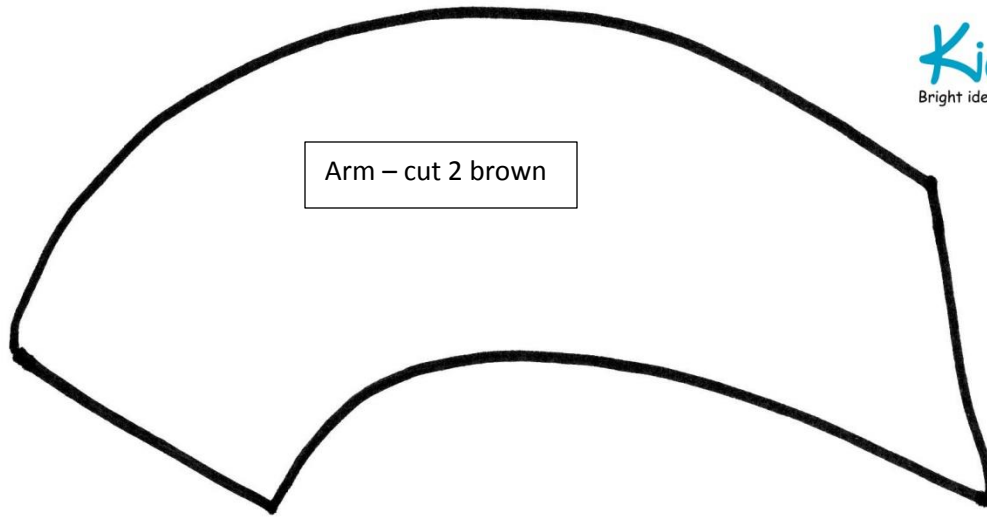

Holster

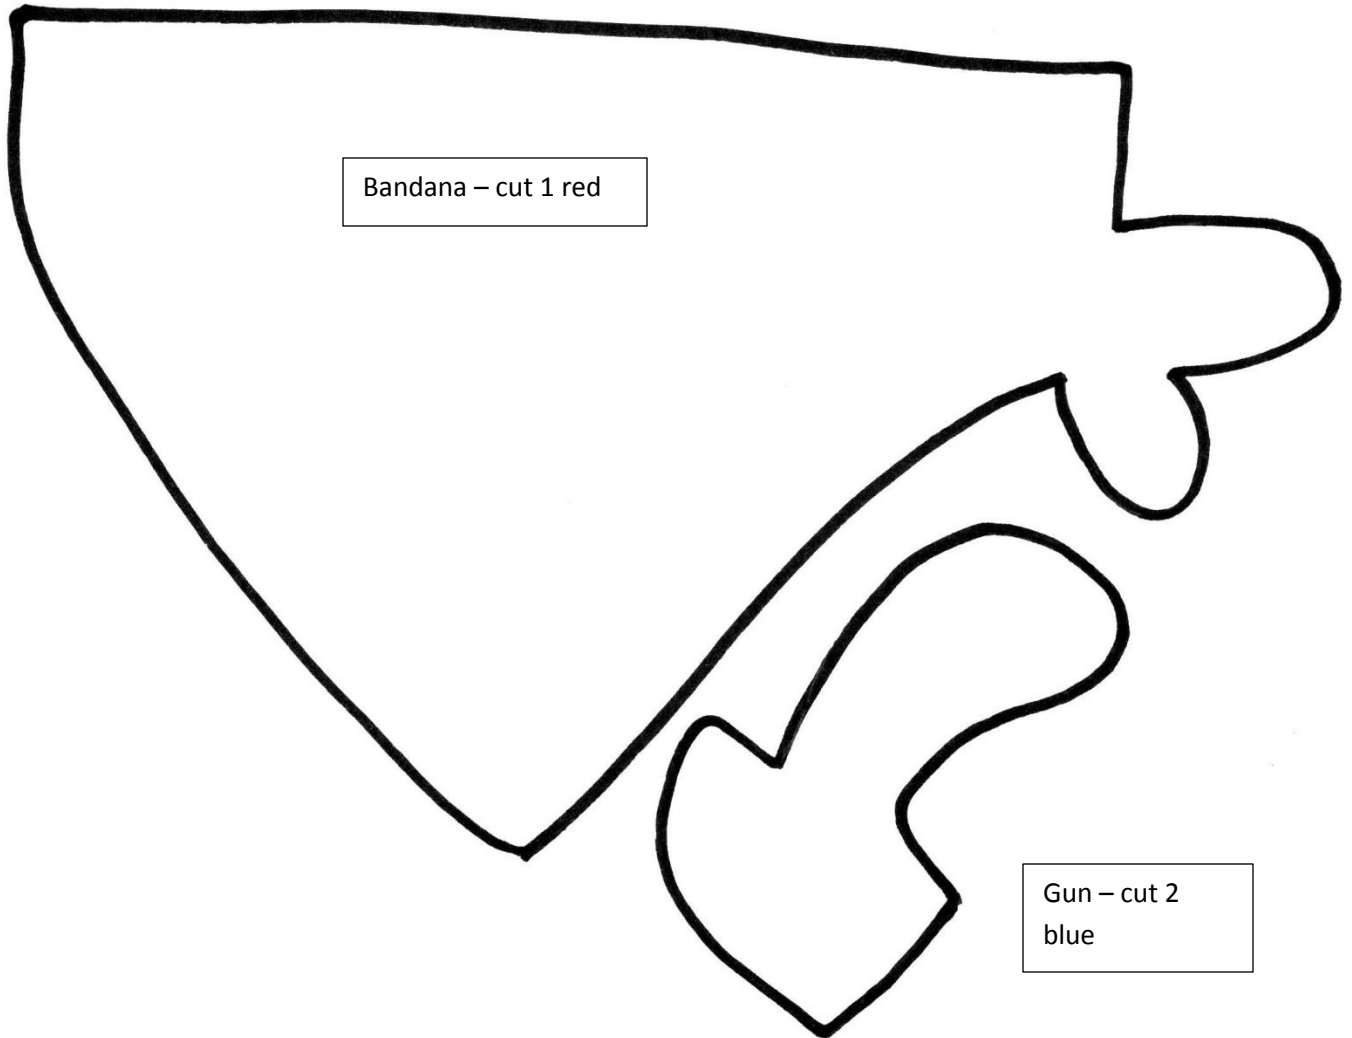

Hat brim – cut 1 black

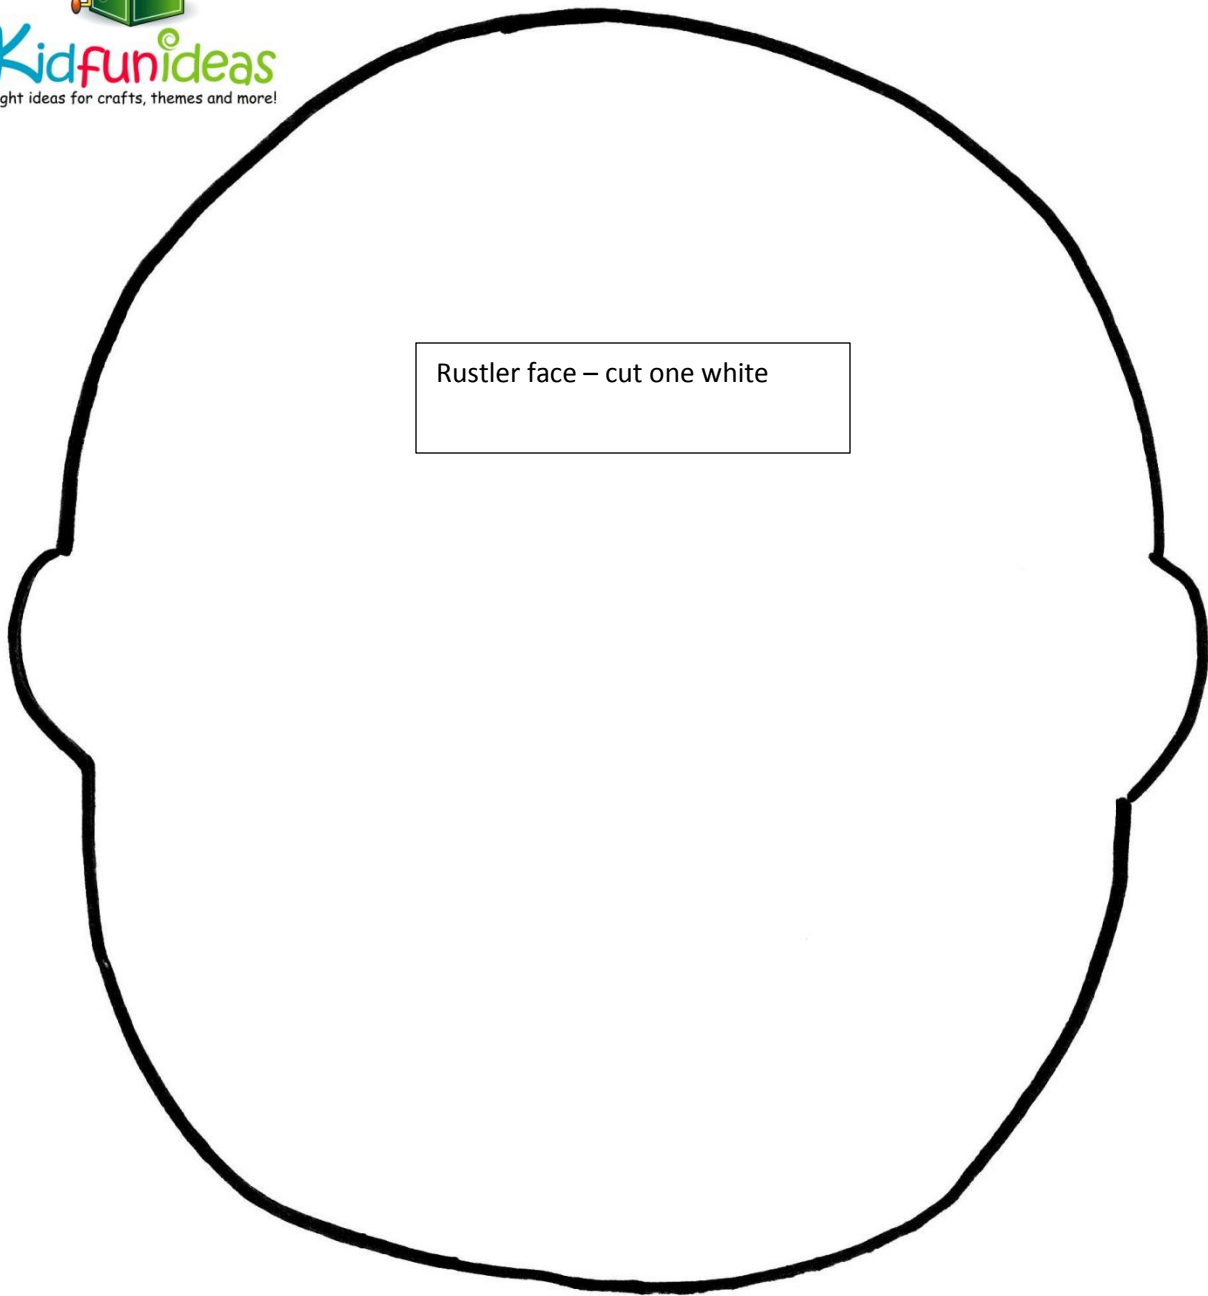

Arm – cut 2 brown

Bandana – cut 1 red

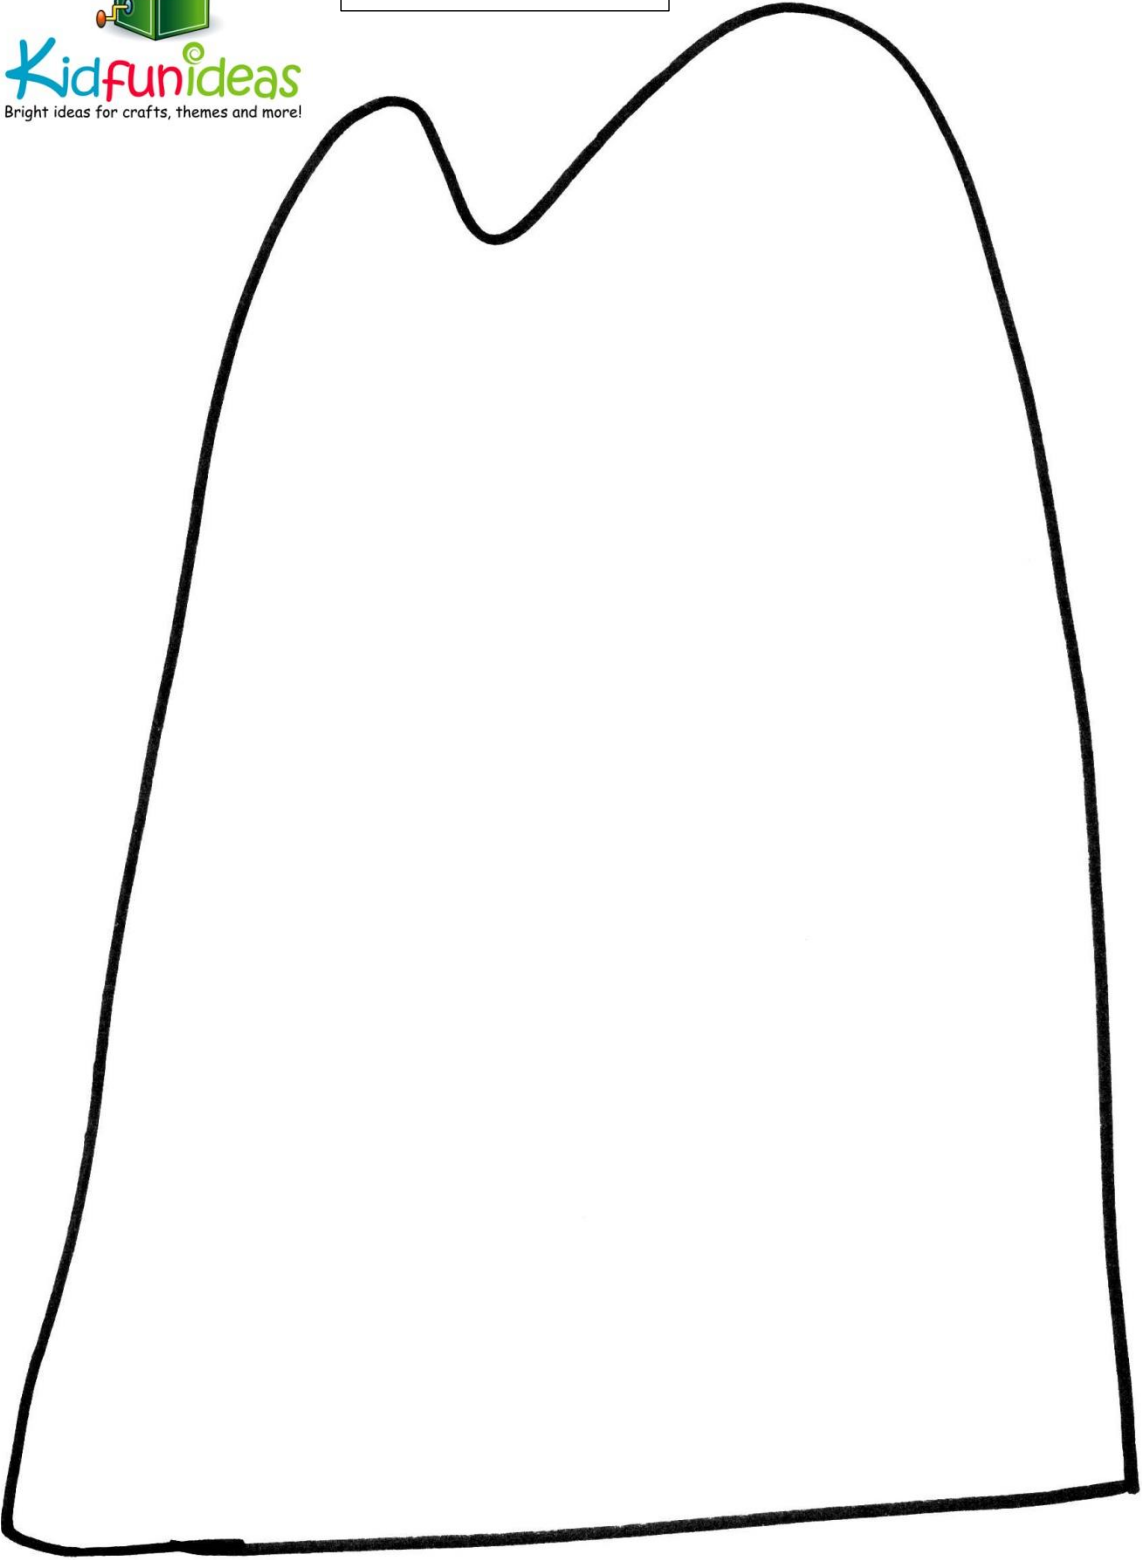

Gun – cut 2  
blue

Rustler face – cut one white

Hat top – cut one black

Rustler Vest – Cut one from Black
